Land Crafted. Ocean Aged.

As our inaugural aged-whiskey release, Greenhorn is a young, light, easy-drinking expression of our flagship wheated bourbon. Aged atop Puget Sound for a minimum of 18 months, Greenhorn won a gold medal at the prestigious San Francisco World Spirits Competition.

The Ultimate Whiskey Expression of Pacific Northwest Terroir

Made with the highest-quality sweet yellow corn and soft white wheat from Grant County, WA, GHB is fermented with our proprietary wild-yeast strain from a local apple orchard. Harnessing the power of the sea, our bourbons are aged in a floating boathouse atop Puget Sound. The wave and tidal movement expedite the aging process by increasing the interaction of the spirit & wood inside our charred new American oak barrels.

The Mineral Water of Vodkas

When we set out to develop a vodka named after the Norse goddess of the sea, the bar was set high. This dangerously seductive Viking deity knew how to throw a ravishing party—at least for those who showed up with gold.

Rán is a wheat vodka infused with a touch of sea salt harvested from the pristine waters of the coast of San Juan Island. Beautiful, Impulsive, Insatiable, Rán was a force to reckon with. The presence of her spirit will enliven any cocktail.

Chambers Bay Rán Vodka 750ml
40% ABV (80 proof)

Tasting Notes

Rán is a clean and smooth drinking vodka – the sea salt rounds off the edges and highlights a hint of sweetness from the wheat.

We source our salt from the San Juan Island Sea Salt farm in Friday Harbor, WA. Their salt is solar evaporated, and hand-harvested in unheated hoop-houses. Unlike mass-produced sea salt, their salt is only 80-85% NaCl, with trace amounts of calcium, magnesium & potassium. This high minerality packs a lot more flavor—a reminder of the sea from which it came.

Awards

2017 – **Gold** – Seattle International Spirit Awards

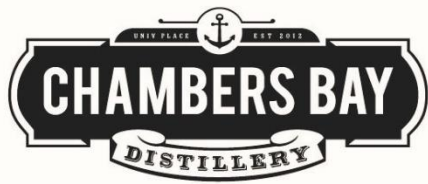

2017 – **Silver** - San Francisco World Spirits Comp.

2020 – **Silver** – Sip Northwest Best of the NW

“WHILE YOU’LL TASTE AN ECHO OF OCEAN, RÁN VODKA ALSO CARRIES A NICE GRAIN FLAVOR, ACCENTED BY A LITTLE VANILLA AND SPICE... IT’LL BE A GREAT ADDITION TO BLOODY MARYS, AS WELL AS OTHER COCKTAILS, BUT ALSO IS WORTH SIPPING SOLO.”
